

Certificate of Proficiency

Visual Strength Grading Scheme

This is to certify that

Laurent Gallienne

has passed the examination in visual strength grading of hardwood to BS 5756 and on this day was considered competent to visually grade timber to the requirements for both Structural Tropical Hardwood (HS) grade and Temperate Hardwoods (TH1, TH2 and THA, THB) grades.

Visual Strength Grading operations shall be carried out by a grader and/or grading company, under the supervision of a certification body approved by the UK Timber Grading Committee.

In order to apply Strength Grade marks to timber the grader and/or grading company must register with a UKAS Accredited Timber Strength Grading Scheme and must also agree to submit to annual independent monitoring. After each successful monitoring visit graders will be issued with a registration card which shall be retained at all times as evidence of their competence.

The number allocated to the grader is 5609
